Senator Crapo,

On behalf of Idaho Voices for Children, I would like to take this opportunity to ask you to support H.R. 2, the Children's Health Insurance Program Reauthorization Act of 2009.

The mission of Idaho Voices for Children is to develop and promote a policy agenda that improves child health, child welfare, education, safety, and family economic security. As part of our overarching values, we believe that Idaho children should have access to healthcare coverage and a medical home, and the SCHIP program is a vital program for covering Idaho's kids. Enacting a good CHIP bill quickly will go a long way to help ensure that children get the health coverage they deserve.

Again, we encourage you to support H.R. 2, the CHIP Reauthorization Act of 2009.

We appreciate your commitment to Idaho and its citizens.

Regards,
